ANNEX II + III: TECHNICAL SPECIFICATIONS + TECHNICAL OFFER

Contract title: "Supply of equipment for waste management for the needs of the Municipality of Madzharovo within project CB005.1.12.008"

1/4

Publication reference: CB005.1.12.008-LP-Supply 1

Columns 1-2 should be completed by the Contracting Authority
Columns 3-4 should be completed by the tenderer
Column 5 is reserved for the evaluation committee

Annex III - the Contractor's technical offer

The tenderers are requested to complete the template on the next pages:

- Column 2 is completed by the Contracting Authority shows the required specifications (not to be modified by the tenderer),
- Column 3 is to be filled in by the tenderer and must detail what is offered (for example the words "compliant" or "yes" are not sufficient)
- Column 4 allows the tenderer to make comments on its proposed supply and to make eventual references to the documentation

The eventual documentation supplied clearly indicate (highlight, mark) the models offered and the options included, if any, so that the evaluators can see the exact configuration. Offers that do not permit to identify precisely the models and the specifications may be rejected by the evaluation committee.

The offer is clear enough to allow the evaluators to make an easy comparison between the requested specifications and the offered specifications.

3 ECONOMIC AND FINANCIAL CAPACITY¹

The following table of financial data² is based on our annual accounts and our latest projections. Where annual accounts are not yet available for the current year or past year, we have provided our latest estimates in the columns marked with ** in italics. Figures in all columns are calculated on the same basis to allow a direct, year-on-year comparison to be made (or, if the basis has changed, an explanation of the change must be provided as a footnote to the table). Any clarification or explanation which is judged necessary is also provided.

Financial data	2 years before last year ³ (2014) BGN	Year before last year (2015) BGN	Last year (2016) BGN	Average ⁴ BGN
Annual turnover ⁵ , excluding this contract	-	24 377 048.55	19 646 300.04	14 674 449.53
Current Assets ⁶	10.00	550.89	148 607.04	49 722.64
Current Liabilities ⁷	0	369.09	15 096.90	5 155,33

¹ Natural persons have to prove their capacity in accordance with the selection criteria and by the appropriate means.

² If this application is submitted by a consortium, the data in the table above must be the sum of the data in the corresponding tables in the declarations provided by the consortium members — see point 7 of this tender form. Consolidated data are not requested for financial ratios.

³ Last year=last accounting year for which the entity's accounts have been closed.

⁴ Amounts entered in the 'Average' column must be the mathematical average of the amounts entered in the three preceding columns of the same row.

⁵ The gross inflow of economic benefits (cash, receivables, other assets) arising from the ordinary operating activities of the enterprise (such as sales of goods, sales of services, interest, royalties, and dividends) during the year.

⁶ A balance sheet account that represents the value of all assets that are reasonably expected to be converted into cash within one year in the normal course of business. Current assets include cash, accounts receivable, inventory, marketable securities, prepaid expenses and other liquid assets that can be readily converted to cash.

⁷ A company's debts or obligations that are due within one year. Current liabilities appear on the company's balance sheet and include short term debt, accounts payable, accrued liabilities and other debts.

4. STAFF RESOURCES

(g) for the situations of grave professional misconduct, fraud, corruption, other criminal offences, significant deficiencies in the performance of the contract or irregularity, the applicant is subject to: <ul style="list-style-type: none"> i. facts established in the context of audits or investigations carried out by the Court of Auditors, OLAF or internal audit, or any other check, audit or control performed under the responsibility of an authorising officer of an EU institution, of a European office or of an EU agency or body; ii. non-final administrative decisions which may include disciplinary measures taken by the competent supervisory body responsible for the verification of the application of standards of professional ethics; iii. decisions of the ECB, the EIB, the European Investment Fund or international organisations; 	<input type="checkbox"/>	<input checked="" type="checkbox"/>

iv.	decisions of the Commission relating to the infringement of the Union's competition rules or of a national competent authority relating to the infringement of Union or national competition law; or		
v.	decisions of exclusion by an authorising officer of an EU institution, of a European office or of an EU agency or body.		

II – Situations of exclusion concerning natural persons with power of representation, decision-making or control over the legal person

Not applicable to natural persons, Member States and local authorities

(2) declares that a natural person who is a member of the administrative, management or supervisory body of the above-mentioned legal person, or who has powers of representation, decision or control with regard to the above-mentioned legal person (this covers company directors, members of management or supervisory bodies, and cases where one natural person holds a majority of shares) is in one of the following situations:	YES	NO	N/A
Situation (c) above (grave professional misconduct)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Situation (d) above (fraud, corruption or other criminal offence)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Situation (f) above (irregularity)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

III – Situations of exclusion concerning natural or legal persons assuming unlimited liability for the debts of the legal person

(3) declares that a natural or legal person that assumes unlimited liability for the debts of the above-mentioned legal person is in one of the following situations:	YES	NO	N/A
Situation (a) above (bankruptcy)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Situation (b) above (breach in payment of taxes or social security contributions)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

IV – Grounds for rejection from this procedure

(4) declares that the above-mentioned person:	YES	NO
(h) has distorted competition by being previously involved in the preparation of procurement documents for this procurement procedure.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

V – Remedial measures

If the person declares one of the situations of exclusion listed above, it must indicate measures it has taken to remedy the exclusion situation, thus demonstrating its reliability. This may include e.g. technical, organisational and personnel measures to prevent further occurrence, compensation of

damage or payment of fines. The relevant documentary evidence which illustrates the remedial measures taken must be provided in annex to this declaration. This does not apply for situations referred in point (d) of this declaration.

VI – Evidence upon request

Upon request and within the time limit set by the contracting authority the person must provide information on the persons that are members of the administrative, management or supervisory body. It must also provide the following evidence concerning the person itself and concerning the natural or legal persons which assume unlimited liability for the debt of the person:

For situations described in (a), (c), (d) or (f), production of a recent extract from the judicial record is required or, failing that, an equivalent document recently issued by a judicial or administrative authority in the country of establishment of the person showing that those requirements are satisfied.

For the situation described in point (a) or (b), production of recent certificates issued by the competent authorities of the State concerned are required. These documents must provide evidence covering all taxes and social security contributions for which the person is liable, including for example, VAT, income tax (natural persons only), company tax (legal persons only) and social security contributions. Where any document described above is not issued in the country concerned, it may be replaced by a sworn statement made before a judicial authority or notary or, failing that, a solemn statement made before an administrative authority or a qualified professional body in its country of establishment.

The person is not required to submit the evidence if it has already been submitted for another procurement procedure. The documents must have been issued no more than one year before the date of their request by the contracting authority and must still be valid at that date.

The signatory declares that the person has already provided the documentary evidence for a previous procedure and confirms that there has been no change in its situation:

Document	Full reference to previous procedure
<i>Insert as many lines as necessary.</i>	-

VII – Selection criteria

(5) declares that the above-mentioned person complies with the selection criteria applicable to it individually as provided in the tender specifications:	YES	NO	N/A
(a) It has the legal and regulatory capacity to pursue the professional activity needed for performing the contract as required in the tender specifications;	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(b) It fulfills the applicable economic and financial criteria indicated in Article 16.1 of the Contract Notice and the tender specifications;	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(c) It fulfills the applicable technical and professional criteria indicated in section 16.2 of the contract notice.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

(6) if the above-mentioned person is the sole tenderer or the leader in case of joint tender, declares that:	YES	NO	N/A
--	-----	----	-----

(d) the tenderer, including all members of the group in case of joint tender and including subcontractors if applicable, complies with all the selection criteria for which a consolidated assessment will be made as provided in the tender specifications.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--	-------------------------------------	--------------------------	--------------------------

VII – Evidence for selection

The signatory declares that the above-mentioned person is able to provide the necessary supporting documents listed in the relevant sections of the tender specifications and which are not available electronically upon request and without delay.

The person is not required to submit the evidence if it has already been submitted for another procurement procedure. The documents must have been issued no more than one year before the date of their request by the contracting authority and must still be valid at that date.

The signatory declares that the person has already provided the documentary evidence for a previous procedure and confirms that there has been no change in its situation:

Document	Full reference to previous procedure
<i>Insert as many lines as necessary</i>	-

The above-mentioned person may be subject to rejection from this procedure and to administrative sanctions (exclusion or financial penalty) if any of the declarations or information provided as a condition for participating in this procedure prove to be false.

Description of Warranty Conditions

PUBLICATION REFERENCE: CB005.1.12.008-LP-Supply 1

CONTRACT TITLE: Supply of equipment for waste management for the needs of the Municipality of Madzharovo within project CB005.1.12.008

NAME OF TENDERER: EXCELOR HOLDING GROUP

We, the undersigned Excelor Holding Group LTD, hereby declare that the offered by us warranty will be provided fully in accordance with the conditions laid down in Article 32 of the current General Conditions, namely:

1. The supplies are new, unused, of the most recent models and incorporate all recent improvements in design and materials, unless otherwise provided in the contract. We further warrant that all supplies have no defect arising from design, materials or workmanship, except insofar as the design or materials are required by the specifications, or from any act or omission, that may develop under use of the supplies in the conditions obtaining in the country of the Contracting Authority.
2. We will be responsible for making good any defect in, or damage to, any part of the supplies which may appear or occur during the warranty period and which:
 - a) results from the use of defective materials, faulty workmanship or design; or
 - b) results from any act or omission of ours during the warranty period; or
 - c) appears in the course of an inspection made by, or on behalf of, the Contracting Authority.
3. We will at our own cost make good the defect or damage as soon as practicable. The warranty period for all items replaced or repaired will recommence from the date on which the replacement or repair was made to the satisfaction of the Project Manager. If the contract provides for partial acceptance, the warranty period will be extended only for the part of the supplies affected by the replacement or repair.
4. If any such defect appears or such damage occurs during the warranty period, the Contracting Authority or the Project Manager shall notify us. If we fail to remedy a defect or damage within the time limit stipulated in the notification, the Contracting Authority may:
 - a) remedy the defect or the damage itself, or employ someone else to carry out the tasks at our risk and costs, in which case the costs incurred by the Contracting Authority will be deducted from monies due to or guarantees held against us or from both; or
 - b) terminate the contract.
5. In emergencies, where we cannot be reached immediately or, having been reached, are unable to take the measures required, the Contracting Authority or the Project Manager may have the work carried

out at our expense. The Contracting Authority or the Project Manager will as soon as practicable inform us of the action taken.

6. The warranty obligations are stipulated in the Special Conditions and technical specifications, as follows:
 - The warranty for the waste collection truck and street cleaner truck will remain valid for 3 years after provisional acceptance or after reaching 100 000km mileage. The warrantee period for the containers for mixed municipal waste collection will be 365 days.
7. Save where otherwise provided in the Special Conditions, the warranty for the waste collection truck and street cleaner truck will remain valid for 3 years after provisional acceptance or after reaching 100 000km mileage. The warrantee period for the containers for mixed municipal waste collection will be 365 days. The warranty period will commence on the date of provisional acceptance and may recommence in accordance with Article 32.3.
